OPERATION LET'S GO

RErights is recruiting Agents from all over the world for a series of special missions. First, we need to know who's on the team. Complete these missions to tell us a little about you, what you do and where you are. Then we'll collect the data, find out who's joined us, and post the information back so you can see how cool our community of Agents is. Do you accept the challenge? Let's go!

MISSION 1: PROFILE

Every Agent in our community has their own story. What's your story? What would you like to tell us about yourself? What makes you YOU?

If you had to describe yourself in three words, what would they be?

1.

2.

3.

If you were a celebrity, who would you be? Why did you pick that particular person/character?

Tell us about what you like doing and the things you are interested in.

MISSION 2: LOCATION

WHERE you are can be a big part of WHO you are. How many places do we come from and what is it like in those places? Tell us something about where you live by answering these few questions.

Reminder: You do not need to give us specific address details.

What country are you in?

What city, town or community are you in or close to?

**What three things do you like about living there?**

1.

2.

3.

What would you change about living there?

MISSION 3: HERE AND THERE

Let's gather some more detailed data! In this mission, your task is to take a photo or do a drawing that represents the place where you live. Once you've taken the photo or made a drawing, send or give it to your teacher.

In the box below, write a short description of the photo or drawing, and tell us why you chose this to show us where you live. If you can't take a photo or do a drawing, can you describe where you live in a few sentences?

Reminder: Please DON'T upload a photo of your actual house or street!
